Re: Information Requested, Cedar Buttes #1 Asphalt Mine, S/047/028, Uintah County, Utah

Dear Robert:

Please find enclosed the information requested by you and your wife during our recent telephone conversations. Enclosed is: a copy of the original Small Mining Operations Notice of Intention (SMO-NOI) filed in August 1987, a copy of the Utah Statute which describes the Utah Mined Land Reclamation Act, a copy of a Transfer of Notice of Intention form for small mining operations, and a copy of a chronology of the Division file.

The original SMO-NOI was filed with the Division by your father, John E. Fausett. Since he has past away I believe your mother would be able to sign a transfer form as representing the operator, but you may want to discuss this with your attorney. If you have any questions, or require additional forms please contact me or Wayne Hedberg here at the Division.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
